Effective **July 1, 2015** our fees for plan reviews will be based on the following schedule:

1) Fire Sprinkler Systems

- a) NFPA 13 & 13R Systems - \$300.00 per system
\$100.00 per additional floor/area
\$250.00 per additional system (same building/same site)

- b) NFPA 13D Systems - \$200.00 up to 2000 square feet
\$250.00 up to 5000 square feet
\$350.00 up to 10,000 square feet
\$500.00 over 10,000 square feet

- c) Residential Tracts - Fee for each tract, in addition to above schedule, a \$150 fee, applies to both NFPA-13D and NFPA-13R projects in a tract.

- e) Tenant Improvement - \$100.00 up to 20 sprinklers
\$300.00 above 20 sprinklers

2) Cooktop Hood and Duct Systems - \$150.00

- 3) Fire Alarm Systems - \$300.00 per system/building
\$100.00 per additional floor
\$250.00 per additional system (same building/site)
\$100.00 GSM modification (per site)

4) Spray Booth Plans - \$150.00

- 5) Underground Water Supply System - Hourly basis, minimum \$150.00
Backflow prevention valve replacement \$150.00

- 6) Legal Work: \$200.00 per hour for research, plan review and comments
\$250.00 per hour for deposition & testimony for arbitration/mediation
\$275.00 per hour for deposition & testimony for litigation at trial

Resubmittals will be charged an additional review fee. The minimum charge is \$150, and the maximum is the amount of the original fee, depending on the extent of revisions made to the submittal. **There will be no exceptions.**

Under no circumstances will Parsley Consulting perform overtime or expedited plan reviews
